"....Today is 15 years since Denver received the new name David. And it's been 13-14 years since Denver gave us the 10 talks, and 55 years since Denver joined the church, which within that time he was given a charge from an angel to prepare for his ministry and to have carried out a 40 year ministry which culminated in his excommunication, which made him a spiritual martyr for the Lord's cause.

This is a special day for Denver and for our restoration of the truth. God bless Denver, Stephanie and all they've done to facilitate our hope in being included in the last days Zion and the Lords return. "
